

PROFESSIONAL TRAINING EVENTS

The LOM Education Committee proudly introduces a new leadership training event!

Purpose:

To provide professionals with an intensive learning experience in core areas of outdoor ministry administration and resources to implement change.

Goals:

- You will receive advanced instruction in core areas of outdoor ministry administration
- You will be given time to develop an action plan in each area
- You will experience mentorship, fellowship and coaching through an intentional small group community

Who: 5 to 10 individuals who've completed the Administrative and Program Leadership Training Events

What:

Each day will be divided between teaching/lecture and individual work on plan/procedures. Instructors will offer tools to create a plan. Experiential adventures will be folded in given the opportunities of the site.
