### What is *Taking Root: Hunger Causes, Hunger Hopes*?

*Taking Root* is a new curriculum from ELCA World Hunger that uses Bible study, literature, art, and activities to foster critical thinking about world hunger.

The curriculum is designed to be flexible. Each of the three age-level courses (grades 3–6, 7–9, and 10–12) offer five 2½–3 hour sessions of coordinated content that can easily be broken up to fit any time slot.

Order a free sample kit and try out the new hunger education curriculum in your congregation. Each kit contains a leader's guide, student handouts, a promotional poster, and stickers. Visit [www.elca.org/takingroot](http://www.elca.org/takingroot) to get started.
