

How-to-use this CD

To play the PowerPoint presentations on your Windows computer:

1. From the menu that comes up automatically, click on the title of the presentation you wish to view
2. Click the "run" option each time you see that prompt
3. Highlight the presentation file name and click on "open"
4. Click on the title slide to begin the presentation.

To **stop** a PowerPoint presentation early, press the "Escape" key.

MAC users, and others who want to open the presentation in PowerPoint, should browse the contents of the disc for the appropriate ppt file.

To **browse the contents** of this disc on a Windows computer:

1. open "my computer"
2. right-click on the CD icon
3. select "explore" from the list
4. the PowerPoint file for each show is stored in each respective "ppt" directory
