
Welcome

We're Thrilled You're Here!

Welcome to your role as synod hunger leader, working on behalf of your synod and ELCA World Hunger! We are happy and grateful that you've joined us!

Whether you come to this work with deep passion and knowledge about hunger, or simply a desire to help others, this kit will help you get started. It provides practical information about what to expect, what to do first, and where to find resources. It also provides background information on what causes hunger and the Lutheran commitment to fighting it.

World hunger is not a small problem, but we are making progress! There are fewer hungry people in the world than there were 30 years ago. And by becoming a synod hunger leader, you are one of the people making a difference. Thank you, and we're thrilled you're here!
