THE ONE DECLARATION: “**WE BELIEVE** that in the best American tradition of helping others help themselves, now is the time to join with other countries in a historic pact for compassion and justice to help the poorest people of the world overcome AIDS and extreme poverty. **WE RECOGNIZE** that a pact including such measures as fair trade, debt relief, fighting corruption and directing additional resources for basic needs — education, health, clean water, food, and care for orphans — would transform the futures and hopes of an entire generation in the poorest countries at a cost equal to just one percent more of the US budget. **WE COMMIT** ourselves — one person, one voice, one vote at a time — to make a better, safer world for all.”

- I'd like to receive **e-mail** updates on hunger & poverty from the ELCA Washington Office.
- I'd like to receive **e-mail** updates from my ELCA State Advocacy Office.
- I'd like to receive **e-mail** updates from Bread for the World.
