The Southeast Michigan Synod, ELCA Global Mission and the Evangelical Lutheran Church in Jordan and the Holy Land invite young people entering sophomore year in high school to age 22 to participate in this new Holy Land initiative.

What the program will include:

- Meet, build community and learn peace-building skills with Muslim, Jewish and Christian youth in their contexts.
- Learn about the different political, cultural and religious realities on the ground in the Holy Land.
- Equip yourself to advocate for peace with justice in the Holy Land upon your return home.
- Visit ancient holy sites and modern places where justice and lasting peace are spreading.

There will be about 7 spots for adults. We will try to have adults from different regions who are bringing a group of youth.

What it will cost:

Approximately \$2,000, includes: all land travel, housing and food (airfare additional). Payment schedules will be announced later.

Fundraising suggestions will be made available soon. One successful fundraising model is sponsoring a "Peace in Palestine/Israel Sunday" at your church, which includes selling olive wood manger sets, ornaments and other items **would need you to act now! Materials must be ordered from Palestine by mid September to be available for a pre-Christmas sale in November.**

A downloadable PDF application is available at www.elca.org/HLyouth. Completed applications should be sent to: peacenotwalls@elca.org. To learn about the ELCA's companion church, the Evangelical Lutheran Church in Jordan and the Holy Land: see www.elcjh.org
