

ELCA Prayer Network

What is the ELCA Prayer Network?

The ELCA prayer network is an intercessory prayer network of congregations and prayer groups (ELCA and others) across the United States and the Caribbean who have agreed to pray for those prayer requests collected on the ELCA Prayer web site:

www.prayingchurch.org

How does it work?

The ELCA web site www.prayingchurch.org is designed to collect prayer requests online. Once a prayer request is made, the online manager responds directly and/or e-mails the prayer requests to the contact persons of some of the Prayer Network congregations. (Due to the large volume of prayer requests, not all congregations are contacted with every request, but every prayer request receives prayer.)

Only the contact person from your congregation will be e-mailed prayer requests. It will be up to the congregation's contact person to forward the prayer requests to your prayer group.

Interested?

Is your congregation or prayer group interested in being part of a growing intercessory prayer network where your prayers can impact the lives of people all over the world? If so, please submit your registration to join the ELCA Prayer Network and you will receive approximately 5 E-prayer concerns each week. Your congregation or prayer group is simply asked to lift these prayer requests each day for 30 days.
