

Congregation Snapshot Questionnaire

What would you like the world to know about your congregation? Your worship style? A ministry that has your members talking—and taking action?

Please respond to the following statements. We'll select 10–15 of your responses and post them on LivingLutheran.com. Once your congregation's profile goes live, we'll send you the link in an e-mail so that you can share it with your members, your synod and your community.

We also need two good quality photos: one of a piece of sacred art and one of your members in action. (Set your camera to its highest quality settings.)

- **Step 1:** Save your PDF and name it like this: Lastname_Firstname_Congregation
- **Step 2:** E-mail your PDF and captions for your photos to livinglutheran@elca.org (with the subject line "Living Lutheran questionnaire")

- **Step 3:** E-mail your photos individually to forward49amount@photos.flickr.com (with the subject lines Lastname_Firstname_Art and Lastname_Firstname_Members).
