

Member Voices Questionnaire

How do you live your life as a Lutheran? Triple espresso or decaf latte? Front pew or back pew? We want to know!

Please respond to the following statements. We'll select 10-15 of your responses and post them on LivingLutheran.com. Once your profile goes live, we'll send you the link in an e-mail so that you can share it.

We also need a casual, high-quality photo of you. (Set your camera to its highest quality settings.) No formal headshots, please! We won't use them.

- **Step 1:** Save your PDF and name it like this: Lastname_Firstname
- **Step 2:** E-mail your PDF to livinglutheran@elca.org (with the subject line "Living Lutheran questionnaire")
- **Step 3:** E-mail your photo to forward49amount@photos.flickr.com (with the subject line Lastname_Firstname_photo)

If you're under the age of 13, come back in a few years and then we'd love to feature your profile. If you're between the ages of 13 and 18, we'll need your parent's or legal guardian's permission. (Sorry, but that's just the way it is.) The paperwork is at www.elca.org/styleguide.
