

10,281 HOMES REPAIRED AFTER HURRICANE KATRINA

Evangelical Lutheran Church in America

God's work. Our hands.

www.elca.org

Immediately after Hurricane Katrina struck the Gulf Coast, ELCA congregations around the country mobilized support campaigns, and organized the mass donation of goods, volunteer service hours and, most importantly, monetary gifts. To date, more than \$27.7 million has been donated to the relief and recovery effort, helping thousands of families rebuild their homes and businesses. Go to www.elca.org to join us.
