

2010 Global Mission Lenten Series
Prayer Requests for the First Week in Lent

The Rev. Nathan and Sharonette Bowman

Kumamoto, Japan

1. For the witness of Jiai-En Lutheran Social Welfare Community, and that the 250 employees would be strengthened in their service to the babies, children and senior citizens who make their home here.
2. For the Lutheran Schools in their outreach to young students, and for the teachers and missionaries who work there.
3. For the ministry of the international Kumamoto English Service, especially the new Sunday School ministry, that people from many countries would find encouragement and a worship community home here.
4. For the children of missionaries, both in the field and those who have returned “home,” that they would be blessed with supporting and understanding communities.
5. For the local congregations here as they reach out with various service activities for the community.
