Aspects of Worship in Japan

The Rev. Nathan and Sharonette Bowman
Kumamoto, Japan

Aspects of worship that are different to us here:

1. Our international congregation hosts the youngest ushers in the world, at 2~6 years old.
2. Matsubase Lutheran Church often has a lay-led time of praise between the second reading and the Gospel.
3. Kuwamizu Lutheran church bulletin is prepared in Braille, as well as in Japanese.
