Prayer Concerns

- † Pray that Suzanne and I listen carefully to the six young people in our care and walk with them in the love of Jesus Christ.
- † Pray that all of us listen for the concerns of others, so we minister to human needs here in Palestine/Israel.
- † Pray that we learn about the religions of other people, so that bridges are built and that we understand others' religions have brought them comfort, identity, and meaning.
- † Pray that we are able to learn another language in order to be better communicators.
- † Pray that we hear God's love for the world proclaimed to all.
- † Pray that we stand with those in this area who are being persecuted, as we champion the cause of the marginalized and practice our faith in ways which free others.
