Shipping Kits

As far as drop-off points go, most communities actually maintain a stockpile of these types of supplies, and the best way to find those locations is by dialing **2-1-1**, which is the **United Way** resource information line.

If this does not work, we invite people to send kits to **UMCOR Sager Brown Depot**:

1. Complete 2 packing lists—one for your records and one to put on the shipping box.
2. Paste the shipping label and packing list on the outside of **each box** you send to UMCOR Sager Brown. The packing list helps the depot to quickly process kits.
3. Processing & shipping costs: Please enclose an envelope containing at least \$1 for each kit you send. This donation enables kits to be sent without delay to areas in need.
4. Send kits to: **UMCOR Sager Brown Depot**
P.O Box 850 131 Sager Brown Road
Baldwin, LA 70514-0850

You can also drop them off at a regional office of **Orphan Grain Train**. For more information you can visit their website at www.ogt.org or by contacting them at 402-371-7393.

Important Kit Assembly Information:

- All items included in kits must be **NEW** items.
- All emergency kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into international countries, it is important that kits contain only the requested items—nothing more.
- Do **NOT** include any personal notes, money or additional materials in the kits. These things must be painstakingly removed and will delay the shipment.

Special Shipping Requirements:

Cleaning agents: All cleaning agents must be liquid and in plastic bottles. No powders. Pack them inside a bucket or strong outer box.

Aerosols or flammables: If including these types of supplies, ship kits by UPS Ground, Fed Ex Ground, or by truck. Do **NOT** ship by US Mail or DHL/Airborne freight.
