LOUISIANA SUPPLEMENT

**THIS SUPPLEMENT TO THE OFFERING CIRCULAR DATED MAY 1, 2009
AND TO MISSION INVESTMENT PURCHASE APPLICATIONS
IS FOR DISTRIBUTION TO LOUISIANA RESIDENTS ONLY.**

The Fund's Mission Investments are registered or qualified as securities in various states in which they are offered for sale. These states have a variety of laws and regulations concerning the offering and sales of securities in those states. In accordance with securities regulations of the State of Louisiana, the following applies to offers and sales of Mission Investments in Louisiana:

Certain Investments not available in Louisiana

The Fund's *MissionPlus* Investments and *MissionFirst* Investments are not available for sale in Louisiana.

MissionTermSelect Investments.

The Fund is offering certain classes of *MissionTermSelect* Investments to Louisiana residents ("Louisiana *MissionTermSelect* Investments"). Those Investments include *MissionTermSelect*-fixed rate, *MissionTermSelect*-adjustable rate, and *MissionTermSelect/Grand*-fixed rate Investments. With the exception of the reinvestment or payment at maturity features, as described below, the terms of Louisiana *MissionTermSelect* Investments are the same as the terms of the corresponding *MissionTermSelect* Investments offered by the Fund pursuant to the Offering Circular dated May 1, 2009 (the "Offering Circular").

Features of Louisiana MissionTermSelect Investments:

Reinvestment or Payment at Maturity.

The Fund will mail a written notice of maturity to the owner (and to the custodian in the case of *MissionTermSelect* Investments held for the Fund's IRA/CESA/HSA program described at pages 31-32 of the Offering Circular) not less than 30 days prior to the maturity date of a *MissionTermSelect* investment and will also furnish to the owner (and custodian if applicable) a copy of the Fund's current Offering Circular if the owner has not previously received it. The Fund will include a form giving the owner the option to receive cash proceeds at maturity, to purchase in the name of the owner a new *MissionTermSelect* investment having the same or closest available term as the *MissionTermSelect* investment then maturing, or to purchase any currently available *MissionTermSelect* investments.

If a written response is not received on or before the maturity date, the Fund will apply the proceeds to the purchase of a new *MissionTermSelect* investment having the same or closest available term as the Investment then maturing. However, if within 120 days after maturity the Louisiana investor advises the Fund in writing that the investor had intended to request payment at maturity of the prior *MissionTermSelect* investment and wishes to have the reinvested proceeds returned, the Fund will honor that request by permitting immediate redemption of the new *MissionTermSelect* investment without penalty and returning to the Louisiana investor the reinvested proceeds with accrued interest to the date of redemption.

Additional terms. All other terms applicable to *MissionTermSelect* Investments offered by the Fund and described in the Offering Circular under the heading "Description of the Investments" are the same for Louisiana *MissionTermSelect* Investments.
